Tariff Advices

The Tariff Advices specified in the table below will be voided in December 2021 as part of implementing the 2022 Harmonized System. Where the status is listed as 'partial', importers should check the Australian Customs Tariff Eight-Digit Concordance and status of their TAs before quoting on an import declaration from 1 January 2022.

Tariff Advices Voided – December 2021

Classification (Prior to 1 January 2022)	Status
